## Dear Parent,

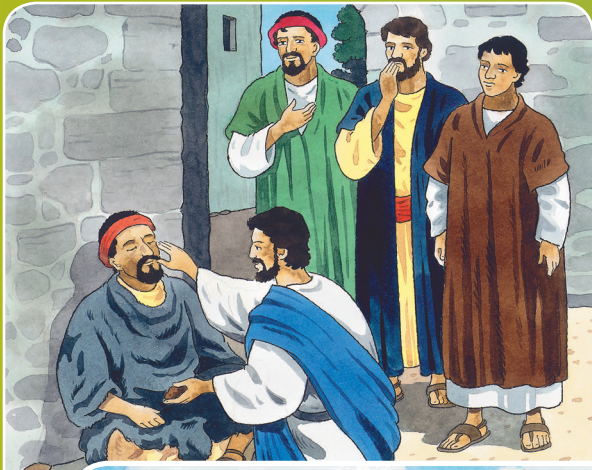

The lessons your child will participate in this quarter are designed to help children learn about Jesus and the world God made.

During September the children explore passages from John to learn we are important to Jesus. They will learn that Jesus knows all about us from Jesus and Nathanael in John 1:43-49. Miracles of healing will teach how Jesus helps us. The unit concludes with Jesus' story of the Good Shepherd from John 10.

In October the children learn how Jesus shows us what God is like. From Mark 4:35-41, where Jesus stops the storm, the children learn that Jesus can do anything. Jesus washing the disciples' feet shows the children His love. Jesus' story of the son who returned to his forgiving father from Luke 15:11-24 teaches God's forgiveness.

The quarter will conclude with lessons on how God made the world. The children will learn the order of God's creative works. The lessons begin with God making day and night and end with the creation of all animals.
